

Westpac Place, Sydney

Case Study

Westpac Place, at 275 Kent Street Sydney has undertaken a significant refurbishment with the creation of The Urban Park, a new green space area with retail and dining outlets along with upgrade to the existing lobby entrances. The project was managed by the building owners Mirvac and designed by Woods Bagot architects with record Automatic Doors responsible for the supply and installation of ten record STA 20 and STA 22 autoamtic sliding door operators to various entries off Kent Street, The Urban Park and the Westpac branch.
